I understand that this advanced practice reunion is an opportunity to deepen my practice of Lomi Lomi, experience the depth of my being and connect with like-hearted people. I also understand the "work" can be physically and emotionally challenging and I take full responsibility for my own being and setting my own boundaries. I understand that the pools and hot tubs at Harbin are clothing optional and that no alcohol or drugs or cell phone usage are permitted on the property. I also understand that if I am choosing the "indoor camping" option, I will be sleeping in close proximity to others and agree to be respectful of their need for rest. I understand that if I cancel, my \$200 deposit will be held by Sacred Lomi for up to 2 years and can be used towards another workshop. However, if I cancel after Sept. 28th, I risk losing my tuition. I have read and understand the registration policy.
