I understand that this advanced practice reunion is an opportunity to deepen my practice of Sacred Lomi, experience the depth of my being and connect with like-hearted people. I also understand that the "work" can be physically and emotionally challenging and I take full responsibility for myself and setting my own boundaries. I understand that the pools and hot tubs are clothing optional and that no alcohol or drugs are permitted on the property. I also understand that if I choose the Dorm, I will be sleeping in close proximity to others and agree to be respectful of their need for rest. I understand that if I cancel, my \$200 deposit will be held by Sacred Lomi for up to 2 years and can be used towards another workshop. If I cancel less than two weeks prior to the retreat, I risk losing my tuition. I have read and understand the registration policy.

Signature _____ Date _____

We will email you a welcome packet 2 weeks before the workshop.

Advanced Sacred Lomi® Retreat

Once-a-year, our Advanced Sacred Lomi practitioners gather in Northern California. Students who have completed any 3 or 4 day workshop or a retreat with Sacred Lomi, qualify. With a phone interview, we may also approve anyone who has completed the Sacred Lomi Home Study courses. Participants delve deeply into the essence of Sacred Lomi, ho'oponopono and inner transformation while refining their skills and clearing what is no longer serving their life or their work as a healer.

Gain a deeper awareness of your heart's purpose, your soul's intent and your unique gifts and abilities. Quantum healing and transformation occurs for each and every one of us.

Accommodations

Rooms: The rooms at Isis Oasis are clean, quite small and basic. Rooms vary from private to shared to dorm style. All bathrooms are shared. Bedding and towels are provided.

Private Rooms: All private rooms are inside a lodge or house and have either a queen or twin bed. Bathrooms are shared with other rooms.

Shared Rooms: All shared rooms are inside a lodge or house and have either a queen or two twin beds. Bathrooms are shared with other rooms.

Dorm: The dorm has multiple beds and a shared bathroom. We will try and keep dorm spaces to no more than three or four people.
