I understand that this advanced practice training is an opportunity to deepen my practice of Sacred Lomi, experience the depth of my being and connect with like-hearted people. I also understand the "work" can be physically and emotionally challenging and I take full responsibility for my own being and setting my own boundaries. I understand that no alcohol or drugs are permitted on the property. I understand that if I cancel, my \$200 deposit will be held by Sacred Lomi for up to 2 years and can be used towards another workshop. However, if I cancel after Oct. 8, 23 I risk losing my tuition. I have read and understand the registration policy.
